

Timber Measurements Society

**TIMBER MEASUREMENTS SOCIETY, APRIL 11-13, 2012,
COEUR D'ALENE RESORT, IDAHO
MINUTES OF THE BUSINESS MEETING AND LIST OF ATTENDEES**

The 2012 minutes were read by Secretary – Treasurer, Thelma Alsup. There were no questions or discussion. A motion was made to accept the minutes, seconded and carried as presented.

Thelma Alsup presented the treasury report and discussed some options to improve meeting registration and the payment of the related meeting fees. The membership encouraged her in these endeavors.

Treasury Report 2012	
Beginning balance (saving/checking)	\$2,188.08
Registration/dinner funds collected	\$4795.00
	Total \$6983.08
CDA Resort total costs	-\$2957.78
Balance after the meeting	\$4,025.30

Next business of order was the election of officers. The membership was reluctant in changing the officers and without exception motions were made to keep the same officers. Thus the secretariat remains unchanged:

Chair: Matt Fonseca

Vice Chair: John Calkins and Mario Angel

Secretary Treasurer: Thelma Alsup

Nominations for the location for the 2013 meeting were taken and voted on. Lewiston Idaho received the most votes. However after further discussion regarding the fact that there will be a

Timber Measurement Society Intermountain Meeting in the area next year at that time and considering the fact that despite the enthusiasm of the many attendees from the area to see next year's meeting again in their region (which was reflected with their earlier votes), it was decided that this would not be the most optimal meeting location, thus the vote taken again, with Bellingham Washington the clear winner.

The meeting will be held at the Semiahmoo Resort, which is about 25 miles (40k) north of Bellingham and 30 miles (48k) south of Vancouver on 10-12 April 2013.

With no other business, the business meeting adjourned.
